

Special Circular (2): HKCEC's Atrium Expansion Project

Dear Exhibitors,

We are glad to inform you the expansion project of Hall 1 at Hong Kong Convention and Exhibition Centre (HKCEC) will be **COMPLETED** before the HKTDC Hong Kong Houseware Fair 2009.

For those exhibitors with booths assigned at 2 different locations (Scenario A - Hall 1 or Scenario B - Grand Hall / Mezzanine 1 / Convention hall), please kindly be confirmed that your booth **will be located in Hall 1 under the conditions of Scenario A**

However, as some construction works might be carried out at other areas during the fair, minor disturbance such as noise or dust may still be encountered occasionally by patrons of the HKCEC. We would like to apologize for any inconvenience caused and your kind understanding and patience will be highly appreciated.
