Qiantang River Arts & Furniture Ltd.

Qiantang River has been in the home décor business for more than 20 years. It specialises in the design, elaboration and production of furniture, wall panels and decorative items such as porcelain, ceramic, brass and polyresin wares. Various kinds of materials are used to interpret different styles, such as wood, alloy, brass, marble, crystal and mirror. It has recently opened a new 300,000sq.ft. design and production centre in Shenzhen, Chinese mainland. Its Hong Kong showroom displays more than 5,000 items.
