

Topchoice Industries Ltd.

Topchoice understands that creativity and originality are the most fundamental factors in the houseware industry, so continually focuses on its strength in creative design and tableware innovation. It has invested heavily in developing its own creative house to cater to current market trends and create conceptual packaging that adds value. Since 2002, Topchoice has put emphasis on fine bone china for its major product line, and has created the best quality, sophisticated dinnerware, which it believes will have a great impact on the market over the next three years.
