Total Products Ltd.

Total Products was established in 1999, with its main business in design, manufacture and export of top-class living room items. Over the years it has built up a portfolio of products to fulfill the demands of ever-changing tastes. The company's philosophy is that life should be joyful, so its products are designed to add fun to occasions. Buyers can simply pick up its new and original designs in order to appeal to trendsetters and the fashion fans, while OEM projects are also welcome.
