Kin Hip Metal & Plastic Factory Ltd.

Founded in 1949, Kin Hip has evolved from a small mould-making workshop to a world-renowned specialist in the manufacture of stainless steel kitchenware, insulated tableware and catering ware for commercial food and beverage industries, produced under the Kinox name. Its portfolio of products includes extensive ranges of stylish cookware as well as many sleek and practical household products such as electric kettles and toasters, French coffee presses, thermal beverage jugs and chilled beverage pitchers and tumblers. Kinox was awarded ISO9001:2000 certification in 2001, “Certified To Hong Kong Q-Mark Product Scheme” 2005 and Hong Kong Top Brand certification 2007.
