Metier Atelier Company Limited

Metier Atelier was founded in Hong Kong in 2001. As a workshop that values its crafts and specialty, Metier Atelier aims to build a well-known global houseware brand through its vigorous originality and creativity. It seeks to fully develop its experience and skills in the manufacture of well designed objects, with the emphasis on the medium range of top-class stainless steel 18/10. The company's two divisions – Metier and Toolbar – display different concepts of Eastern-inspired works.
