Rayford Enterprises Ltd.

Rayford Enterprises specialises in making silver-plated candlestands, tableware, gifts and home decoration accessories, as well as showing an exclusive range of refined design glass and crystal items. The company presents a full product collection of exclusive and original designs, valuable materials and superior craftsmanship. The philosophy is very simple: each creation is designed to enhance life, to embellish the home with beauty and make the art of giving more personal. The items are an expression of an individual lifestyle for the self-confident person.
