## Lifetzore (HK) Limited

LZ Lifetzore offers a distinctive range of furniture and home accessories in unexpected combinations of Oriental handicraft and contemporary Western design. The technological breakthrough of high-quality PE rattan has resulted in the water-resistant “All-Weather In-Out Door Collection”. Committed to service excellence, the company utilises its knowledge to maximise customers’ business opportunities and minimise uncertainty. Services include product design and development; material and manufacturer sourcing; production control and quality assurance; logistics management; and brand management and marketing.
